

Make a constellation viewer

1. Fill in the sheet "My zodiac sign".

2. Take your zodiac sign and make a hole in each "star" with the nail.

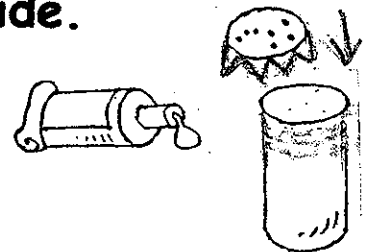

3. Cut out the zodiac sign.

4. Fold the triangles down.

5. Glue the zodiac sign over one end of the toilet roll. The black side is inside. Use liquid glue.

6. Glue the sheet "My zodiac sign" round the toilet roll. Use a glue stick.

7. Look through your constellation viewer at the light and you can see your zodiac sign.
